

## Parking Adjacent to the Locks

The north parking lot adjacent to the Hiram M. Chittenden Locks, commonly referred to as the Ballard Locks, is city-owned. Pay stations ensure adequate parking turnover of the limited spaces in the lot and to minimize all-day parking by non-locks visitors.

Parking is \$1.50/hour for a maximum of three hours. Pay stations accept debit and credit cards, and coins. Payment is required for parking Monday through Saturday from 8:00 a.m. to 6:00 p.m.

For information about parking pay stations in Seattle, visit the Department of Transportation website at [www.seattle.gov/transportation/parking/paystation.htm](http://www.seattle.gov/transportation/parking/paystation.htm). For questions about using a parking pay station, please call the Seattle Department of Transportation at (206) 684-ROAD. To report a problem, please call (206) 684-5260.
